Labor Trainwreck Interview Exposes Key

Senator Richard Colbeck has called on Justine Key to come clean with the electorate and tell them if she backs Tasmanian colleague Bass MP Ross Hart or leader Bill Shorten on Labor's new company tax hike.

"Labor's division over company tax relief has boiled over with Ross Hart refusing to back Bill Shorten's captain call and his anti-business policy of tax hikes on Tasmanian businesses on no less than 15 occasions in a single trainwreck interview," Senator Colbeck said.

"As Labor descends into open warfare Justine Key must tell the people of Braddon whether she back's Bill Shorten's higher taxes."

"Justine Key must come clean, is she backing Bill Shorten or local business?"
